With EPC A rating, customers can lower their energy bills, all whilst delivering net zero carbon offices

Strategically located next to junction 10 of the M42

M42 J10

Warehousing that Works.

# High performance space for your business.

If you're looking for a high-performing, sustainable building that works as hard as you do, then look no further. Tamworth T49 provides versatile industrial and logistics warehousing in a prime location in the heart of the Midlands. Current occupiers in the vicinity include big names such as Aldi, DFS, Speedy Hire, DB Schenker and UPS.

## An ideal location for the Midlands and beyond.

This thriving 32-acre distribution site is ideally located adjacent to junction 10 of the M42. Birmingham City Centre is approximately 15 miles to the south west via J4A of the M6 providing extensive access to the greater midlands area.

Occupants of Indurent Park Tamworth will also benefit from being within 5 minutes of Birmingham Intermodal Freight Terminal (BIFT), operated by the UK's foremost multimodal transport and container handling specialists, Maritime.

Your unit will be part of a well-established business park, ideally located for national distribution.

Smart LED lighting helping you reduce energy consumption by up to 75%.

24/7 access to park and unit.

215 kVA supplied with additional power available.

With an EPC A rating, customers can lower their energy bills, all whilst delivering net zero carbon offices.

# Why choose Indurent Park Tamworth?

Strategically located on the M42, J10.

Average full time weekly wage of £540.60 (11.78% lower than the UK average)\*.

5 minutes drive to BIFT.

Health and wellbeing amenities on-site including trim-trail.

# The Indurent standard.

Indurent Parks embody our core purpose – to change places and create better futures.

The Indurent Standard delivers improved quality, sustainable and consistent developments across the Indurent portfolio that impact positively on both the environment and local communities.

Through thoughtful and considered design, we have crafted a philosophy that we believe will have positive and tangible benefits for our customers.

- 75% enhancement on building regulations for air leakage
- 30% better than current requirements for embedded carbon
- Delivered by industry leading supply chain
- Sustainable environments addressing wellbeing
- Designed for flexibility and low operational cost
- Quality materials throughout
- Operational life cycle recycling
- Flexible office space for future fitout
- Low energy use
- Net carbon zero embedded

EV chargers installed as standard

Warehousing that Works.

# Sustainability at the core.

High quality amenity, office and warehouse specification, designed with the customer in mind, focusing on health and wellbeing, sustainability and net carbon reduction.
